ANOOP V. MOHTA, JJ.

P.C.

. This appeal is directed against the order of conviction recorded by the learned Sessions Judge on the ground that the sentence awarded is very meagre, the deceased met sudden death with violent attack made by the accused. However, looking to the manner in which the incident has

occurred, it is obvious that the assault took place on the spur of moment. There is no question of kick and fist blows with pre-meditation or with intention that result in death. Hence, we see no reason why this Court interfere in the matter of sentence. Appeal dismissed.
